Guarding lives

The Christian Institute Scotland Tour Autumn 2025

Scripture is clear that God is the one who gives and preserves life. He also commands his people to guard the lives of others made in his image: "Rescue those being led away to death" (Proverbs 24:11).

So we must do all we can to persuade our MSPs not to legalise assisted suicide. It would inevitably put pressure on vulnerable people to be 'led away

to death' through subtle pressure and coercion.

Liam McArthur MSP's assisted suicide Bill only narrowly passed its Stage 1 vote in Holyrood in May – just eight MSPs need to change their minds to defeat it at Stage 3.

This dangerous Bill can be stopped, but we need your help. Campaign groups like Dignity in Dying are urging

their supporters to contact MSPs, so it's vital they hear from constituents who oppose the Bill too.

We have identified key MSPs who may be open to changing their vote at Stage 3, so we urge you and others in your church concerned about this issue to come to one of these meetings. If possible, please attend the one for your own constituency and/or region.

We are delighted we will have guest speakers at these meetings from various other organisations working against the Bill.

Please join us to hear more about how you can help guard lives.
