SU Scotland

2026 GO CONFERENCE

PRAYER LETTER

Thank you for praying for GO Conference, one of SU Scotland's events for S4-S6 young people from across Scotland. We are looking forward to welcoming 116 young people to Lendrick Muir from 9th-12th October, travelling from areas including the Highlands, Aberdeen, Edinburgh, Glasgow, Renfrewshire, Ayrshire, and the Borders. Please pray that this would be a significant and life-changing weekend as they gather to learn more about Jesus and grow in their faith.

This is the largest GO Conference we have ever hosted, with around 46 volunteers and staff, including our catering team, serving throughout the weekend. We are excited to see all that God will do as young people grow in their faith, encourage one another, and engage with God's Word together.

THE TEAM

Team Leaders - Alan Scott, Jackie Ringan, Zonya Bewick

Assistant Team Leaders - Cheri Young, Eilidh Lockhart, John Amalanand

Speaker - Al MacInnes - Minister at Dornoch Free Church

Catering Team - Rachel Causey is leading a team of 6

PRAYER POINTS

- Give thanks for the 116 young people booked onto GO Conference, and pray that God would meet with each one where they are. For some, this will be their first conference-style event, so please pray that they settle in well and feel welcomed and encouraged throughout the weekend.
- Give thanks for Al MacInnes, Minister at Dornoch Free Church, as he prepares the main teaching sessions from Matthew 5-7. Pray that he would know God's help and enabling, and that the Lord would speak powerfully through him to all who attend.
- Give thanks for Rachel Causey as she leads the catering team for the first time. Pray for wisdom and stamina as she oversees the menus, orders, dietary requirements, and team, and for safety in all they do.

PRAYER POINTS - CONT.

- During GO Conference, the Schools Focus Session will give young people the opportunity to share how God is at work in their schools and local communities. Pray that these stories would inspire others and encourage many to sign up for Equip Pupil Leader Training and consider starting an SU Group in their school.
- Each young person attending will be part of a small group led by two leaders. Please pray for meaningful discussions, honest questions, and opportunities for young people to grow in their faith. Pray also that leaders would have wisdom and insight as they guide conversations and respond well to the questions that arise.
- Pray for the afternoon programme, with its variety of activities, workshops, and opportunities for prayer. Pray that young people would choose the workshops that will be most helpful to them, rather than simply follow their friends. Also pray that many would take the opportunity to sign up for prayer and, in doing so, bring their situations and concerns before God.
- Please pray for safe travel for both the team and the young people as they journey to and from GO Conference. Also pray for God's protection over everyone throughout the weekend and for safety in all aspects of the programme.
- Pray for each of the young people attending GO Conference on their own and who may not know anyone else at the event. Ask that this would be a significant time for them as they step out of their comfort zone, and that God would use the weekend to help them build lasting friendships that encourage and strengthen their faith.
- We have brought together a strong and well-balanced team this year, made up of staff, volunteers, and associate staff workers. Please pray that God would unite us and help us reflect the character of Jesus in all we do, so that we can serve, encourage, and positively impact each young person throughout the weekend.
- COmMISSION bookings open at GO Conference, and we are excited to see what God will do through the 2027 programme. We will also be promoting Gap Year, so please pray that the Lord would lead the right young people to explore and apply for both opportunities.

Thank you for partnering with us in prayer as we look forward with excitement and expectation to all that the Lord will do during GO Conference 2026.
